**PROFESSIONALS IN MEDICAL
BIO HAZARD CONTAINERS
DUSTBIN SERIES**

www.xbin.in

Xbin is a brand of Tasman Impex Pvt. Ltd. We are professional manufacturers of injection moulding components and allied products in various industries catering specially to Medical industry and waste management industries

We are specialised in medical sharp containers and waste management dustbins.

Our plant and machinery includes fully automated robotic machines starting from 100 tons to 1000 tons capacity of numerous machines.

Our products are specially designed and made for medical industry with special purpose usages. We use only high quality medical grade virgin material to manufacture our products that can be incinerated when needed.

We cater across the world to various prestigious medical institutions, private organisation, government organisations as per their needs and fulfilling their requirement on time, every time.

Apart from our standard products we also undertake customised products as required by our esteemed clients.

Accessories

Page **13**

Product Code	XB11
Product Capacity	100ml
No. of Units	10
Box Size	20cm x 16cm x 11cm
Available Colours	

FEATURES

- Compact Size
- Puncture Proof
- Eazy Slide
- Permanent Closure Option
- Best for Pocket
- Incineration Grade Material

Product Code	XB100
Product Capacity	1000ml
No. of Units	10
Box Size	22.5cm x 20cm x 25cm
Available Colours	

FEATURES

Quadrate Shape

Leak Proof & Puncture Resistance

Eazy Slide for Safe Disposal

In-built needle remover

Permanent Closure Option

Incineration Grade Material

Product Code	XB300
Product Capacity	3 Ltr
No. of Units	10
Box Size	40cm x 25cm x 32.5cm
Available Colours	

FEATURES

Wide Quadrate Shape

Leak Proof & Puncture Resistance

Wide Opening for Easy Disposal

Eazy Rotating & Sliding for Safe Disposal

Foldable Ergonomically Designed Handle

Permanent Closure Option

Incineration Grade Material

Product Code	XB500
Product Capacity	5 Ltr
No. of Units	10
Box Size	38cm x 29cm x 50cm
Available Colours	

FEATURES

- Best Wide Quadrate Shape
- Secure Lid and Lock for Safe Disposal
- Leak Proof & Puncture Resistance
- Hands-free Disposal
- Eazy Rotating & Sliding for Safe Disposal
- Permanent Closure Option
- Incineration Grade Material

Product Code	XB900
Product Capacity	9 Ltr
No. of Units	10
Box Size	59cm x 29cm x 58cm
Available Colours	

FEATURES

- Round Shape
- Funnel Type Removal Cap
- Leak Proof & Puncture Resistance
- Hands-free Disposal
- Perimeter Lock for Safe Disposal
- Permanent Closure Option
- Incineration Grade Material

Product Code	XB1500
Product Capacity	15 Ltr
No. of Units	10
Box Size	64cm x 34cm x 45cm
Available Colours	

FEATURES

- Traditional Complete Round Shape
- Perimeter Half Open and Secure Lock
- Funnel Type Removal Cap
- Easy Handle for Safe Usage & Transportation
- Leak Proof & Puncture Resistance
- Hands-free Disposal
- Permanent Closure Option
- Incineration Grade Material

Product Code	DB90
Product Capacity	9 Ltr
No. of Units	10
Box Size	51cm x 51cm x 54cm
Available Colours	

FEATURES

Compact Size

Dual Coloured

Eazy Opening Pedestal

Detachable Bin for Easy Cleaning

Virgin Material

Product Code	DB150
Product Capacity	15 Ltr
No. of Units	5
Box Size	36cm x 31cm x 78cm
Available Colours	

FEATURES

Virgin Material

Vertical Quad Shape

Suitable for Both Indoor & Outdoor Usage

Better Structural Quality for Longer Life

Easy Operation, Sturdy Top Lid

Eazy Opening Pedestal

Product Code	DB300
Product Capacity	30 Ltr
No. of Units	5
Box Size	42cm x 36.5cm x 95cm
Available Colours	

FEATURES

Virgin Material

Vertical Quad Shape

Suitable for Both Indoor & Outdoor Usage

Better Structural Quality for Longer Life
